Canon F-789SGA

Scientific Calculator

- The **Canon F-789SGA** is a high-end scientific calculator offering **605 built-in scientific and statistical functions**.
- It supports **79 scientific constants** and **172 unit conversion types**, making it versatile for many fields of study.
- The display is a **Dual-Way Textbook Display** (Mathematic & Line mode), which mirrors conventional mathematical notation for ease of use.
- Features include **matrix calculations (up to 4×4)**, **equation solving with up to 4 unknowns or 4th degree**, and 19 memory registers.
- It's powered by **dual source (solar + battery)**, has auto power-off, and a slim design (about 171×86×17.3 mm, ~120 g with cover).

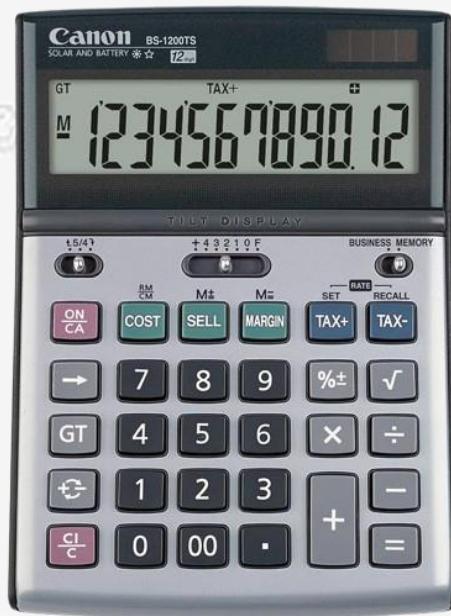

Rs.4,900

Canon Office Product BS-1200TS Business Calculator

- The **Canon F-789SGA** is a scientific calculator with a Dual-Way Textbook Display offering both “Mathematic” and “Line” modes for intuitive input and output.
- It supports **605 scientific and statistical functions**, along with **79 built-in constants** and **172 unit conversion types**.
- The calculator handles **matrix (up to 4×4)**, **vector (up to 3×3)**, and **equation solving (up to 4 unknowns or 4th degree)** tasks.
- It uses **dual power (solar + battery)** with an auto-power off feature, and in ideal conditions, battery life can reach about **4 years**.
- The dimensions (with cover) are about **171 × 86 × 17.3 mm** and it weighs approximately **120 g** (with hard case).
